# To Open Up My Heart

KÖR (Do do do do...)

SOLIST

The way I walk isn't me  
The way I talk isn't me  
To be one among equals  
Is what I always tried to be  
Why lie when you're out of lies  
Why lie when you can't blindfold the truth

KÖR

To open up my heart for you  
Ain't easy but I'd sure like to try  
To open up my heart for you  
Ain't easy but sure I'll try (Do do do do...)

SOLIST

The one you see isn't me  
The one you see isn't real  
Someone told me to break free  
To leave my worries all behind  
You've given all the answers  
You've made see - I was blind  
To open up my heart for you  
Ain't easy but I'd sure like to try  
To open up my heart for you  
Ain't easy but sure I'll try

PIANOSOLO

SOLIST

You've given all the answers  
You've made see - I was blind

KÖR

To open up my heart for you  
Ain't easy but I'd sure like to try  
To open up my heart for you  
Ain't easy but sure I'll try

# Only You

Looking from a window above  
It's like a story of love  
Can you hear me

Came back only yesterday  
I'm moving further away  
Want you near me

All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you

Sometimes when I think of her name  
When it's only a game  
And I need you

Listen to the words that you say  
It's getting harder to stay  
When I see you

All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you

(Mellanspel)

All I needed was the love you gave  
All I needed for another day  
And all I ever knew

All I needed was the love you gave  
All I needed for another day  
And all I ever knew  
Only you

# Same Ol´ Story

## Håll mitt hjärta

Same ol´ story  
Same ol´ man  
Without glory  
Drowning in pain

Don´t make me beg you  
Just let me in  
Same ol´ story  
Same ol´ man

Som jag väntat alla år  
Du kan läka mina sår  
Ta mina händer och gör mig hel  
Ta mitt hjärta  
Ta min själ

(Pianosolo)

Håll mitt hjärta Håll min själ  
Låt mig bara stanna här  
Så allt jag ber dig allt jag begär  
Håll mitt hjärta Håll min själ  
Håll mitt hjärta Håll min själ

# Holly Hannah

## SOLIST

Holly Hannah, you can turn the pages back  
to the apron women wore  
Tied around her waist to please another jack  
like your mother did before

## KÖR

Holly Hannah, look around  
Find your freedom, freedom down in the ground  
On a train that's headed homeward and bound  
Look underneath your wedding gown

Liberation, Holly - nothing but a joke  
Should a woman laugh or cry? (Kör: ah ah ah)  
Will your pride swallow this pill or will you choke  
(KÖR) condemn the days gone by?

## KÖR

Holly Hannah, look around  
Find your freedom, freedom down in the ground  
On a train that's headed homeward and bound  
Look underneath your wedding gown

(Mellanspel)

SOLO

Holly Hannah lies reflecting in the bath  
on the wrinkle of her skin (Kör: ah ah ah)  
Pretty bubbles seem to burst on her behalf  
(KÖR) this time the break is clean

KÖR

Holly Hannah, look around  
Find your freedom, freedom down in the ground  
On a train that's headed homeward and bound  
Look underneath your wedding gown

Holly Hannah, look around  
Find your freedom, freedom down in the ground  
On a train that's headed homeward and bound  
Look underneath your wedding gown

# Genom varje andetag

Se hur nattfjärilen dansar  
i månlyktans sken  
Hör hur drömmarna formar  
sin egen musik  
Hör hon andas nu, just nu  
Se hon drömmer nu, just nu

Genom varje andetag  
Genom varje liten spricka i  
min spegel  
Ser jag dig  
Ser jag dig  
När jag vill  
ser jag dig

Se hur skuggorna formar  
sin egen charad  
Se hur tankarna väver  
sin nattpoesi  
Hör hon flämtar nu, just nu  
Se hon sträcker sig, just nu

Genom varje andetag  
Genom varje liten spricka i  
min spegel  
Ser jag dig  
Ser jag dig

När jag vill  
ser jag dig

(Mellanspel)

Genom varje andetag  
Genom varje liten spricka i  
Min spegel  
Ser jag dig  
Ser jag dig  
När jag vill  
Ser jag dig

# Thank You For The Music

## SOLO

I'm nothing special, in fact, I'm a bit of a bore  
When I tell a joke,  
you've probably heard it before  
But I have a talent, a wonderful thing  
'Cause everyone listens when I start to sing  
I'm so grateful and proud  
All I want is to sing it out loud

## KÖR

So I say  
Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?  
Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

Mother says I was a dancer before I could walk  
She says I began to sing long before I could talk  
And I often wonder, how did it all start  
Who found out that nothing can capture a heart  
Like a melody can  
Well, whoever it was, I'm a fan

So I say  
Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?  
Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

(KÖR Oh Oh...)  
(SOLO) I've been so lucky, I am the girl with  
golden hair  
(KÖR) I want to sing it out to everybody  
What a joy, what a life, what a chance

Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?  
Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me  
So I say thank you for the music  
For giving it to me
