

Only You

Looking from a window above
It's like a story of love
Can you hear me

Came back only yesterday
I'm moving further away
Want you near me

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

Sometimes when I think of her name
When it's only a game
And I need you

Listen to the words that you say
It's getting harder to stay
When I see you

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

(Mellanspel)

All I needed was the love you gave
All I needed for another day
And all I ever knew

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
