

To Open Up My Heart

KÖR (Do do do do...)

SOLIST

The way I walk isn't me

The way I talk isn't me

To be one among equals

Is what I always tried to be

Why lie when you're out of lies

Why lie when you can't blindfold the truth

KÖR

To open up my heart for you

Ain't easy but I'd sure like to try

To open up my heart for you

Ain't easy but sure I'll try (Do do do do...)

SOLIST

The one you see isn't me

The one you see isn't real

Someone told me to break free

To leave my worries all behind

You've given all the answers

You've made see - I was blind

To open up my heart for you

Ain't easy but I'd sure like to try

To open up my heart for you

Ain't easy but sure I'll try
